UNDERGROUND CAR PARK

Exclusive parking in the centre of the Old Town

To make parking in the centre of the Old Town as easy as possible, Palais Esterházy is equipped with a state-of-the-art underground car park with 142 parking spaces. Two fully automated parking lifts distribute the vehicles efficiently on four levels, thus ensuring smooth and fast access. One highlight is the rotating parking platform that makes parking even more convenient. In addition to the normal parking options, the Palais also offers separate e-parking spaces. A tunnel leading straight off Staroměstská Street, Bratislava's vibrant main artery, provides direct access. In addition, entry via Kapitulska Straße ensures a seamless connection to the picturesque Old Town.
